

Avira For Home
Personal Security Software

Extreme Reliability™.

Wherever You Go Online.

Join over 100 million users who are enjoying the benefits of Avira security software on their personal PCs. Feel the sense of freedom that comes with knowing Avira is there to keep you and your data safe and secure.

Wherever your online browsing and digital lifestyle takes you, there is an Avira product to assist you. No worries. No stress. Just you doing what you do, whatever way you do it.

Avira AntiVir Personal

The basic protection Avira believes every computer should come with.

Avira AntiVir Premium

Ideal if you regularly surf, shop online, use email & download files from home, but rarely connect through public WiFi signals.

Avira Premium Security Suite

Complete protection for your digital life at home and while connecting through various WiFi hotspots. An integrated set of apps keeps you and your family secure with special ParentalControl features.

Repair

No computer experience necessary

Easily eliminate viruses in just one click with our QuickRemoval tool.

Problem? What problem!

GenericRepair fixes your PC fast, solves issues automatically.

Gets you up and running again without delay

In case of emergency, RescueSystem helps to restart your PC.

Extra Benefits

Click, run, protect

No awkward options - ExpressInstallation sets up your security system for you.

Always full speed security

Works fast, even on low resolution, low memory laptops, tablets and netbooks.

Help whenever you need it

AviraSupport answers your questions.

Saves effort getting your stuff back

BackupSystem makes safeguarding your important data, music & photos easy.

Makes full screen, full-of fun

Play games without interruptions, watch movies or TV in peace. GameMode deals with problems in the background.

Watches over your kids online

Set safe limits on what your children see, or how long they surf. Powerful ParentalControl puts you in charge even when you're not there.
