“Emergic MailServ is been used by all the 50 locations of Taj Group of Hotels without any issues since the past 3 years. What I am amazed by is the scalability of the solution since it is catering to more than 3000 users spread across 50 locations and the ease of operation and installation of the server”

- Caesar Pereira
Manager Networks, Taj Group of Hotels

“We have been using Emergic MailServ satisfactorily for the past 5 years for 5000+ users with a centralized mailing architecture. We are happy with the kind of services rendered by Netcore's Support Team”

- Ahire S.N.
Head-Infrastructure - IT, IDBI Bank

Web-Based Control Panel

Manage Users, Groups, View Reports, Secure your Network & Lots More...
